Letter dated 4th September 1914 from the Registrar, University of Madras, to Mr. T. Krishnaswami Aiyangar, M.A.

I have the honour, by direction of the Syndicate, to invite you to accept appointment as University Professor of Indian History and Archaeology. The appointment will be for a term of 5 years on a salary of Rs.500 per mensem rising by annual increment of Rs.50, and in case of renewal to Rs.1,000 per mensem. The duties of the Professor will be to supplement the ordinary instruction afforded in affiliated Colleges by advanced lectures of a specialized character. The Professor will be required to devote his whole time to the duties of his office, and not absent himself from his duties without the permission of the syndicate. He will be further required to bind himself by an agreement the details of which will be settled later.

Under Regulation 96 (iii) the appointment will require the sanction of the Senate, and it must further receive the approval of the Government. If you are prepared to accept appointment, application will be made at once to the Government for its approval, in anticipation of the sanction of the Senate, which will be requested at its meeting to be held on 23rd October 1914.

Should the appointment be finally approved, you would be required to take up your duties on 1st November 1914.

I may add, for your information, that the Vice-Chancellor has already ascertained through Sir Hugh Daly, the Resident in Mysore, that there would be no objection on the part of the Mysore Durbar to your acceptance of the Professorship.

D.O. letter No.332 dated 10th September 1914 from the Inspector General of Education to Mr.S. Krishnaswami Aiyangar.

With regard to your deputation to Madras as University Professor of History, will you kindly let me know as to whether you have come to any settlement with the University regarding the contribution towards your pension. If the University has not undertaken to pay, then I believe you will have to pay and in that case there will be a deduction of one-eleventh of the salary you get at Madras. Kindly let me have an early reply.

Letter dated 10th September 1914 from Mr. S.Krishnaswami Aiyangar, to the Inspector General of Education.

In reply to your D.O. 332 of date, the only information that I have so far been given in regard to the pension contribution is that as the appointment has been sanctioned by the Government of India on Rs.500-50-1000, pension contribution cannot be met by the University. I do not know if this is quite final, but I believe it is. In case the Durbar cannot stretch a point and excuse the contribution and consider my service at Madras as service to the State, I shall have to pay the contribution myself.

I am leaving for Madras to-night to attend a meeting of the Tamil Lexicon Committee and will be back on Monday next, when I shall explain matters to you finally.

In the meanwhile kindly excuse the haste in this.

Enclosure 7

Letter dated 12th September 1914 from Mr. S. Krishnaswami Aiyangar to the Inspector General of Education in Mysore.

In confirmation of what I already wrote in reply to your D.O. No.332 of the 10th instant regarding the pension contribution during the period of my deputation at the University, the position is the following as the result of what I was able to ascertain from the Registrar.

The Syndicate offers the appointment as advertised on Rs.500-50-1000. In this case they do not propose to make the pensionary contribution as they seem to fear that they could not find the funds from out of the allotment made for the purpose. As the Sanskrit Professor already appointed holds the place on this grade, it is not possible to start me on a higher salary. It is as a point of honour chiefly that I wish to accept the position rather than as one pecuniarily more advantageous and I believe it is as honorable to the Department as to me personally. I take it that the Government of H.H. the Maharaja agree with me in this view. I would request the favour of their waiving the demand of the contribution in my case and putting me on deputation without prejudice to my promotions in the department, having regard to the enhanced cost of living at Madras and the extra strain put upon my resources both personal and material in the trying climate of Madras. If at any future occasion I should be able to persuade the University to give me the benefit of the contribution, I shall bind myself to make over the amount to the Government of H.H. The Maharaja

If the Government should, however, decide that I should pay the contribution under the Service Regulations, I am quite willing to accept their decision, whatever sacrifices it may involve, in the discharge of this duty of mine both to the University of Madras, my Alma Mater, and the body of graduates of this

University whose representative I shall have to regard myself to be in this particular.

Requesting the favour of your putting the matter before the Government in the light of what has been said above.

"C o p y"

Inspector General.

My dear Dewan Sahib,

Many thanks for your letter of yesterday with the rainfall chart. It is disappointing, but I hope yesterday may have given better results.

Please let me know in due course how I should reply to the enclosed letter. I have a slight acquaintance with Mr Krishnaswami Aiyangar in his capacity of Honorary Secretary to the Mythic Society & he certainly appears to be a very erudite person!

It is a decided compliment to Mysore, I think, that the University should twice select one of the Darbar's men & I suppose we should all be pleased to see a Mysore officer in the new chair.

Yours very sincerely

Dear Sir Hugh Daly

I have to trouble you again about ~~an~~ India History Professorship which was refused by Mr Narasimhachari after you had kindly obtained the Durbar's consent to his acceptance of it. We now want Mr Krishnaswami Aiyangar of the Central College whom you probably know in connection with the Mythic Society, as he is recommended to us by the two leading authorities in Europe. As he is a member of the Mysore Educational Serivce, I shall be much obliged if you will kindly obtain the consent of the Durbar to our offering him the post as you did in Mr Narasimhachari's case.
